

2015 CABA High School Student Research Award

Nomination Form -- Deadline Sunday, Nov. 22, 2015

Nominee Name: _____

High School: _____

For the Recommender to Complete: (A Letter of Recommendation is also acceptable.)

This student is applying for the CABA Research Award for High School Students. Your candid assessment of the applicant’s academic performance, potential for success, and qualities as a person will help us make our selections for admission. The information provided on this form will be used solely for application purposes and, as such, will be kept confidential and not subject for review by the student, and will only be revealed to the public if the student is selected as the winner of the award.

Please provide letters with academic and personal details, including outside activities if possible. This information must be received before the deadline for the student to be considered for the award. Please email your recommendation form or letter directly to our program chair OR mail a hard copy to the address below.

CABA, P.O. Box 426157, Cambridge, MA 02142

Please provide a brief appraisal of the applicant’s academic capability, motivation, and personality
(Please continue on an additional sheet if necessary or attach a separate letter)

Please score applications based on the following criteria:

- ❖ Originality and significance of the main idea of the research to the field and creativity in research methods (25 points): _____
- ❖ Contribution of the applicant to the main idea (25 points): _____
- ❖ Contribution of the applicant to the design of experiments (25 points): _____
- ❖ Contribution of the applicant to completion of the research (25 points): _____
